

HKGBC Zero-Carbon-Ready Building Certification Scheme Energy Assessor-ZCRB Training - Training course in March 2024 is open!

Apply for training!

INTRODUCTION

Zero-Carbon-Ready Building Certification Scheme (hereinafter named as "the Scheme"), owned and operated by Hong Kong Green Building Council (HKGBC), aims to recognise buildings that have achieved high energy efficiency standards or reduction targets. The targets are made reference to the requirement for achieving near zero emissions by 2050 and the best performers in the building industry.

ENERGY ASSESSOR-ZCRB (EA-ZCRB) TRAINING

This Training is targeted for professional practitioners who involve in Zero-Carbon-Ready Building Certification process.

PRE-QUALIFICATION REQUIREMENT

The registered Energy Assessor-ZCRB should be a Registered Energy Assessor (REA) under the Buildings Energy Efficiency Ordinance (Cap.610) and taken a training course and passed an examination organised by HKGBC.
